

Customer Product Information

Termination / Replacement of Sonnenschein A412/170FT

Following the successful launch of Sonnenschein PowerCycle, the production of Sonnenschein **A412/170FT** (part number: NGA4120170HS0MA) will be stopped by the end of June 2017, and replaced by the new PC12/180FT (part number: NGPC120180HS0MA).

Compared with A412/170FT, the new PC12/180FT offers an enhanced cycle life and a longer design life, while keeping the same dimensions. For more details, please refer to the Sonnenschein PowerCycle brochure.

Please place any remaining order of A412/170FT by **April 30th, 2017**.

The latest delivery date will be June 30th, 2017.

Date: February 2017
